

General Grand Chapter Housing Information

Your interest in General Grand Chapter in Oklahoma has created excitement, and it will be coming up before you realize it. We need to get Georgia a great location for housing so that we will be together to enjoy this week and to easily work and fellowship together.

Although General Grand Chapter housing will not be officially assigned until April 1st, we want to get our information in before then as a group, so that we will be sure to get a location where we can all be together. Please plan to get your housing requests to one of us by February 15, 2009, so that we can be sure to get the best consideration when assignments are being made.

Here are some of the basic facts. If you have additional questions please call Betsy Nibeck, PGM, at 770-590-1559.

- Fill out only one Housing Reservation Form for each hotel room desired. Rooms with 1 or 2 occupants requesting 2 beds may be placed in a room with 1 bed to accommodate requests for rooms for 3 or 4 occupants.
- Confirmations will contain complete hotel information and rates. Unfortunately I can not give you any rates at this time.
- Name, Address, Phone, and e-mail should be for the credit card holder who will be sent confirmations or contacted for clarifications.
- A credit card with an expiration date later than 11/09 is required on all housing requests.
- Smoking/nonsmoking requests will be filled based on availability. When marked, you may be moved from your 1st choice hotel to meet the request.
- Handicap Accessible should only be marked if **required** and will be filled on a first come basis. There are limited numbers of such room in each hotel, so you may be moved from your first choice to meet the request.
