**Chapter Secretaries, Members of Georgia Precision Drill Team, Crystal Grand Family, Sisters and Brothers:**

**We are certain that there is much interest and excitement in Georgia as we approach the 46<sup>th</sup> Triennial Assembly of the General Grand Chapter to be held in Tulsa, Oklahoma from Friday October 30, 2009 through Thursday, November, 5, 2009.**

**Our Georgia Precision Drill Team is scheduled to perform at this Triennial Assembly and we are very proud to have them represent the State of Georgia at that Session.**

**We plan to provide bus transportation to and from Tulsa and need each of you to let us know your plans so we may make plans with the bus company concerning the number of buses needed and our travel schedules.**

**We hope to stagger the return the trips, as buses fill up, for the return trip to Atlanta. This planning can only take place if we know who is traveling on the buses and their travel plans/desires. Obviously, we can't satisfy everyone's desires as to staggered returns. We must retain sufficient buses to bring the same people back to Georgia that we took to Tulsa at some point during or following the Assembly.**

**I have attached a Transportation Form, and Housing Information and Forms. Please adhere to the deadlines specified or our planning will not only be incomplete but inaccurate.**

**We hope to satisfy your desires as well as your needs and will do our best to accomplish both.**
